

The Candle Lake Sno'Drifters would like to thank all the people that volunteered to help make our 13th Annual 250 Rally a huge success! A big Thank you to all the businesses that donated prizes for the event. Again we were able to sell out early this year and the weather was beautiful for everyone to enjoy a ride around the lake with a trail lunch at our newest warm up shelter on the Short Shipman trail. It was built by our dedicated members along with the generous donation by Rally Motors in Prince Albert we were able to get it ready for our Rally. The days ride ended with a great supper back at the hall and some great music, dancing and an action packed bidding war on our silent auction items which were donated by the following businesses. Thanks again for making this years 250 Rally a huge Success!!!

A big Thank You goes out to Rally Motors for the generous donation of a Polaris 120 CC Mini Sled we sold over 1800 tickets and the winner was a youngster from just outside of Prince Albert and we are sure he will have many enjoyable hours of riding it around.
