

CANDLE LAKE SAILING CLUB

The Mission of the Candle Lake Sailing Club is to promote & support sailing on Candle Lake.

Let's Get Sailing

Every second Saturday afternoon at 1:00, we gather at Mosher Park to enjoy the sport of sailing together. If you are interested in meeting other sailors, learning more about sailing, possibly crewing or you need someone to crew on your sailboat, give us a call. If the wind is right, on the in-between weeks, we meet at Mosher Park Wednesday afternoon at 1:00.

You don't even have to own a sailboat to join the club, just an interest in sailing.

For information - Ernie Meili 461-3772, Morley Mitchell 270-2696 or Dale Manton 929-2269.

Around the Island Challenge

Unfortunately due to weather conditions on Aug 22nd, this race had to be canceled. We are already planning a bigger & better long distance race for next year. Our plan is to have the most sailboats that you have ever seen on Candle Lake in this long distance race.

Sailboat Purchase

We are presently working on the purchase of 2 used flying J sailboats from a sailing club in Alberta. These 2 person boats will mainly be used by members who don't own their own sailboats.

Sailing Lessons

The week long sailing lessons were a tremendous success that was sold out. Participants report an awesome experience learning how to sail. Six of the students have joined our sail club & one has just purchase his own sailboat. We are already considering another SASKSAIL sailing school next year and adding a second sailing school focused on youth. Think of it for next year. It could even be a great gift for someone.
